Park Description

Former Harbor Plaza, now known as Shippan Landing, is a 780,000sf office complex on 17.9 acres overlooking the harbor. The Harbor Plaza peninsula is surrounded by the largest marina in the Northeast. The design and construction take into account the spectacular harbor site. Office buildings are of soft red brick with operable windows framed in seaworthy teak. Located five minutes from Exit 8 of I-95, downtown Stamford and less than one hour from Manhattan. Shuttle buses are available to and from the Stamford Transportation Center.
